Smiles on Niles is not in-network with any insurance companies. However, we will courtesy file your insurance for you! This means that you'll pay in full at the time of your service and the insurance company will reimburse you directly, usually within 1-2 weeks, depending on the company and the claim.

Please note that we are currently booking 4 to 6 months out for new patients. That can change quickly depending on the flexibility of your schedule and changes in ours.

The first appointment for new patients is only offered on select Thursdays at 3 p.m. and is scheduled for 1.5 to 2 hours, depending on the patient's needs. This ensures the doctor has ample time set aside for new patients. No exceptions can be made to this time frame on the first appointment.

Rest assured, we take the relationships we have with our patients very seriously, as your dental and overall health and happiness is the key to our success.

We look forward to having you as part of our dental family!
